CHAPTER REMARKS

As we can see that family is well educated and with lower income we can do maximum

Remarks Hitesh Mehta

Talked with the student and she is well matured for her studies and also asked to connect to his father she said she will be the one to talk regarding

Talked with the student and she is well matured for her studies and also asked to connect to his father she said she will be the one to talk regarding her assistance

Student also contribute her sister education and father is taking care of the family living expenses and so that is the reason the students saving is less and also student shared the details frankly that she has an FD investment of 4/5 lac on her name

Bharat bhai is connected to goregaon sangh and through that they father are connected to bharat bhai
as we can see that family income is 6 lac and exp is 5.5 lac so they are needy family

we can do as per our formula we can see that student is having saving of 5 lac

we can do up to 10 /12 lac or may be 15 as she will not require to go for bank for any more finance

and repayment will be from April 27 for Rs 150000 as student has accepted that its discussed with father
