https://www.linkedin.com/in/pranita-nikam/

MSc Statistics student with a strong foundation in statistical analysis, data interpretation, and problem-solving. Interested in applying data science techniques to extract insights from data. Seeking a Data Science Internship to gain practical experience and contribute analytical skills to real-world projects..

PROJECTS

E-Commerce Sales – [Excel & PowerBI]

- Analyzed **e-commerce sales data** to identify sales trends and product performance.
- Performed **data cleaning and analysis using Microsoft Excel**.
- Created **interactive dashboards in Power BI** to visualize sales metrics.
- Conducted **Exploratory Data Analysis (EDA)** to understand sales patterns and insights.

Holistic Heart Attack Risk Analysis: Exploratory Data Analysis- [Language : R]

- Performed **Exploratory Data Analysis (EDA)** on heart attack risk data using **R** to identify key health risk factors.
- Cleaned and processed the dataset to handle **missing values and outliers** for accurate analysis.
- Used **statistical techniques and visualizations in R** to analyze relationships between variables such as age, cholesterol, and blood pressure.
- Generated **insights and visual reports** to highlight factors contributing to heart attack risk

Retail Sales Insight Analysisi - [SQL, Python , PowerBi]

- Analyzed large retail datasets using SQL and Python to identify revenue trends, top-selling products.
- Built interactive dashboards in Power BI to visualize KPIs and support data-driven business decision-making.

.

Pizza Sales Performance Analysis-[Excel | Pivot Table | MySQL]

- Created an analysis for Pizza Sales Performance with SQL and Excel that
- tracked KPIs, analyzed daily/hourly and categorical trends, provided
- insights into bestselling and lowest selling pizza products, and provided
- dynamic filters based on times for additional insight.

SKILLS

- **Analytical Tools —** PowerBI, Advanced ExcelWith AI
- **Programming Languages** — Python,
- **Databases** — MySQL
- **Soft Skills** — Leadership, Team Collaboration, Communication, Problem-Solving, Adaptability.

EDUCATIONAL QUALIFICATION

K.T.H.M College – Nashik. *2024 --- June 2026*

MSC Statistick| CGPA : **7.40 | Pursuing**

M.S.G College - Malegaon India. *2021 --- May 2024*

Bachelor of **Science** | CGPA : **7.75**

CO-CURRICULAR ACTIVITY

- Research Paper Presentation – ICEISF 2025, Nashik
- Presented and published a research paper titled "Ethical and Legal Challenges of AI–Deepfake" at the *International Conference on Engineering Innovation for a Sustainable Future (ICEISF 2025).* The paper was published in the official conference proceedings.
